S.G.IGNITES

From the Editor's Desk

Dear Readers
Greetings to you...!!!

Very few have fully realised the wealth of sympathy, kindness and generosity hidden in the soul of a child. The effort of every educator should be to unlock that treasure and S.G. English Medium Primary School is an excellent example where everyone strives indefatigably for this. This institute has been nurturing young minds of the town for past 19 years with the belief that

"The heart of education is the education of heart."

We are pleased to present you the 5th edition of "IGNITE" the school newsletter of S.G. English Medium. Enjoy every moment you have because in life there aren't rewinds, only flashbacks. We have worked hard to bring up an exhilarating flashback of the events and achievements during the session of 2016-17. We have many things to share which are informative and inspirational.

Happy Reading...!!!

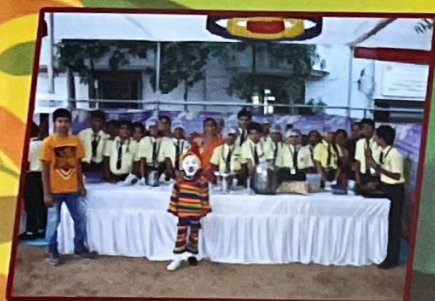

- HIGHLIGHTS

DIWALI FEST 2016

SCIENCE TALK

From the desk of science, myself and my fellow science teachers convey our regards to you. We hope you all liked the previous edition of **Ignite**. In this edition, We would like to highlight a burning health problem which is a great concern to our children at all age group. Yes, We are talking about **"WORM INFESTATION"**. Worms live as parasitic adult in child G.I. [Gastro Intestinal] track i.e. the area of stomach & small intestine.

Worms which infect human can be divided into 3 groups:

1. Round worms, Whip worms, Hook worms
2. Tape Worms, Flukes

Symptoms:

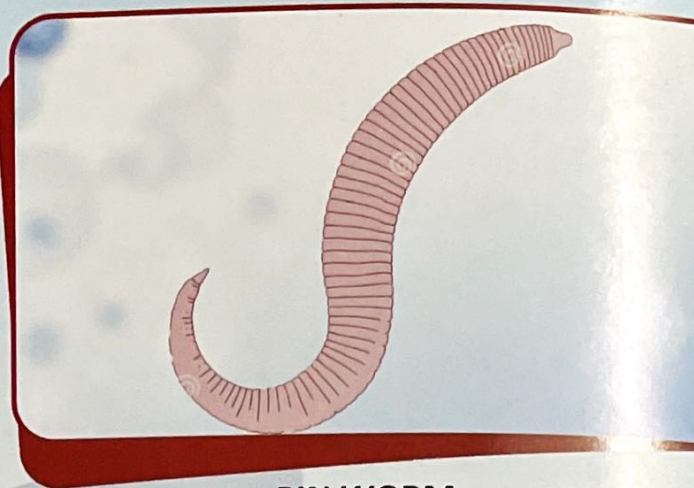

1. Itching around the anal area especially at night
2. Poor appetite which leads to weight loss
3. Stomach discomfort
4. Restless sleep and inability to concentrate

Most Important:

1. DEWORM YOUR CHILD – It is Periodic treatment with Anthelmintic [deworming] medicines.
2. WHO Recommendation – WHO recommends periodic treatment with anthelmintic medicine without previous individual diagnosis to all at risk people living in endemic area (people living in highly risk area who are more prone to the disease).

Tablet & suspension of Albendazole is mostly preferred medication used for the treatment of variety of parasitic worm infestation.

Dosage : Less than 60 kg 15 mg/kg/day orally in divided doses twice a day with meal
Max. Dose : 800 mg/day.
Duration : 28-day cycle followed by a 14-day drug-free interval, for a total of 3 cycles.

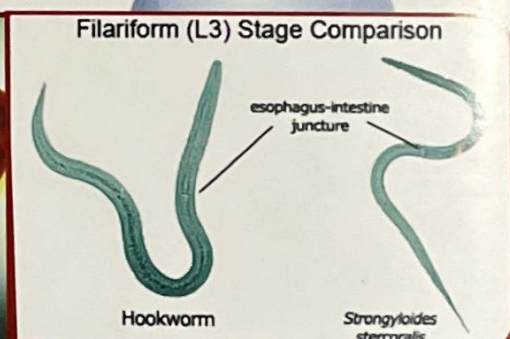

PIN WORM

TAPE WORM

LIVER-FLUKE

HOOK WORM

HEAD-SCRATCHING RIDDLES

E- A Hole
F- A Glove
G- An Umbrella
H- A river

- 1 It can run but it never walks, it has a mouth but never talks, it has a bed but never sleeps?
- 2 What has fingers but cannot use them?
- 3 It was given to you, it belongs to you, but your friends use it more than you do. What is it?
- 4 What gets wetter, the more it dries?
- 5 What grows bigger, the more you take from it?
- 6 What has many keys but no locks?
- 7 What goes up when the rain comes down?
- 8 If you feed it, it lives. But if you give it water it dies. What is it?

In Smt. S.G. English Medium Primary School we use media & technology to help students do well. How we do this is fairly simple – we share positive stories. By doing so, we have built & inspired an awesome community of people like you who are always sharing ideas with each other, helping each other with resources – and collectively doing good.

A 16-year-old boy in bangalore is working hard to ensure that no life is lost due to blood scarcity. Anush writes about “Khoon”, a bangalore-based organization that is creating a database of voluntary blood donors who can help patients in the time of need.

This Electrical Engineer and IIM Alumnus Is Now Helping Small Farmers with Her Innovations.

Engineer and business graduate Devi Murthy identified growing difficulties faced by small-scale Indian farmers. With latest farming equipments - Kamal Kisan, she began to customize her products to suit the needs of the small-scale Indian farmer.

How a Bunch of College Kids Made Two Delhi Slums Become Almost Completely Open Defecation Free

In a bid to prevent open defecation and usher in hygiene and cleanliness among slum-dwellers of New Delhi, a group of college students have initiated a unique campaign that has brought down the open defecation rates in some slums from 95% to 3%.

Under the project “Paryavaran Mitra”, the students of **S.G. Eng. Med. School** took the initiative of making the environment pollution free and sensitized the students regarding the same. Eco- friendly Ganesha idols were prepared by the students.

ANNUAL FUNCTION-2017

One of the most anxiously awaited occasions in any school is its Annual Day. Our school hosted 19th Annual Day on 21st February 2017.

The event was presided by the Chief Guest Mr. Pravinbhai Patel, Mayor of Gandhinagar, Deputy Mayor Mr. Devendrasinh Chavda, Guest of Honour Mr. Kaushikbhai Patel & Mrs. Parulben Patel and Our Campus president Mr. Kanubhai Patel. The programme commenced with a short prayer sung by the choir group of our school followed by the cultural programme based on the theme 'Vasudhaiva Kutumbkam'. Each class danced to the tune songs with colourful props depicting the value of oneness in religion. The programme concluded with an immense message of universal brotherhood for all.

SCHOLARSHIP

"The scholarship program is making children's dreams come true."

A scholarship is an award of financial aid for a student to enhance or promote their abilities/skills. Scholarships are awarded based upon various criteria which usually reflect the values and purposes of the donor or founder of the award.

The objective of the scheme is to provide financial assistance to the poor & meritorious students irrespective of any community to enable them to pursue professional & technical courses.

Apart from that under KSV scholarship of Rs. 1.32 Crore was given to the college students. At school level, 50% tuition fee was waived off for meritorious student. The achievement in diverse fields like Science, Mathematics, art, culture & sports were also felicitated with the cash prize of Rs. 2,500/- at national level & track suits at state level.

SPORTS DAY

The much awaited Annual Sports Day was held on 31st December 2016 at S.A.I. Sports Ground. The Grand Opening of the Programme began with the Oath after which the students enthusiastically stepped into the spirit of the most awaited events. They all witnessed and enjoyed the sports programme. The Students participated in events Like Relay race, Hurdle Race, Aerobics and Race like 100, 200 and 400 meters, etc. The highlight of the program was a spectacular parade and launching of "**Chhota Bheem**", the school mascot.

Moreover, Government of Gujarat organized 'Khel Mahakumbh' in which total of 2,225 students participated from our school 670 were winners and received winning amount of Rs. 96,600/- from Government of Gujarat.

"Winner win, Winners lose, but winners Play."

HOUSE POINTS

“Great moments are born from great opportunities”

Students to show case their talent by participating in the Inter-house competitions held among all the five houses Red, Green, Blue, Yellow & Orange. The winning house was facilitated on their performance for all the competitions conducted throughout the academic year.

“The winning house of this year 2016-17 is Orange house”

POSITION	HOUSE NAME	POINTS
1.	ORANGE HOUSE	283
2.	GREEN HOUSE	268
3.	RED HOUSE	251
