Newsletter

S.G.IGNITES

From the Editor's Desk

Dear Readers,

"Optimism is the faith that leads to achievement; nothing can be done without hope and confidence."

-Helen Keller

Welcome to the 9th edition of the Annual magazine of S.G English Medium Primary School. We are really proud and exuberant to acclaim that we are ready with all new hopes and hues to bring out the 9th issue, which is going to surely unfold the unraveled world of the most unforgettable and precious moments of the school. The student today is an individual, is a real person with feelings of self-respect, sensitivity, responsibility and compassion. We need to recognize, appreciate, applaud and foster the fine blend of sensibilities in a child- and thus, this Newsletter is to be viewed as a launch pad for the children's creative urges to blossom naturally. As the saying goes, "Mind - like parachute works best when opened." This humble initiative is to set the budding minds free, allowing them to wander in the realm of imagination and experience to create a world of beauty in words.

Finally, our entire team of S.G is grateful to the parents for your acknowledgement and persistent support to the Institution.

EXPOSURE

IN OUR CLASSROOM WE PREFER CHILDREN TO:

Create...rather than duplicate

Speak...rather than listen passively

Make Books...rather Than Fill Workbooks

Solve Their Own Problems...

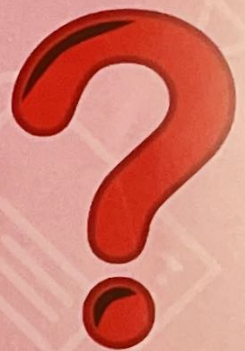

rather than the teacher's problems

Initiate...rather than imitate

Move...rather than wait

Ask Questions...

rather than answer the teacher's questions

Make Art...rather than do crafts

Choose Wisely... rather than being told

Try Again... rather than fail

BIRD CONSERVATION PROGRAM (CUBS & BULBUL ACTIVITY)

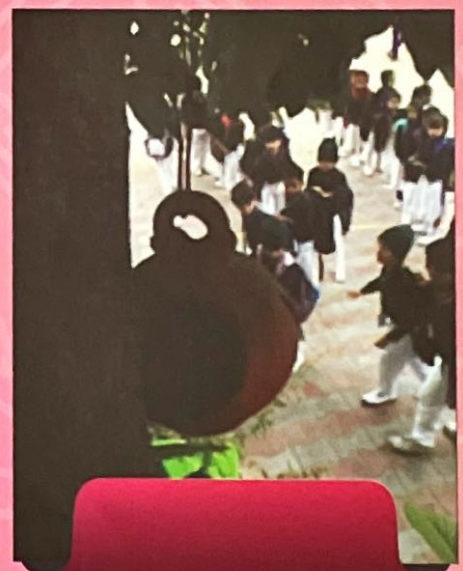

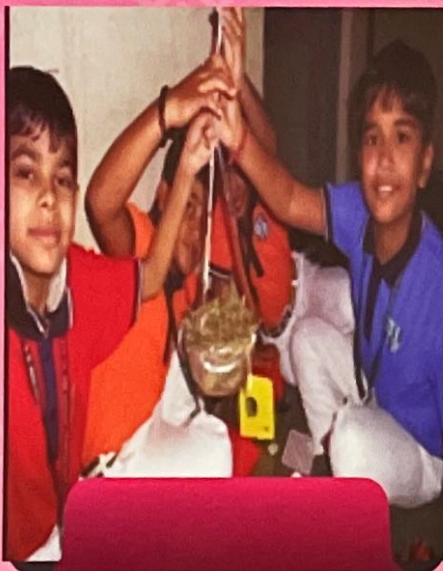

How can we bring disappearing sparrows back to our cities? Tiny tots of SG observed what's ailing these small birds and how to survive their lives. Under the Paryavaran Mitra project of Center for Environmental Education (CEE), our students came forward and provided shelter and food to the birds. Nests are the place where birds incubate and cradle their young ones. There is considerable variety in their location, size, materials and method of construction.

Fifteen species of birds seen in India have been declared critically endangered by the International Union for Conservation of Nature(IUCN). The endangered birds which are on the decline are as follows -

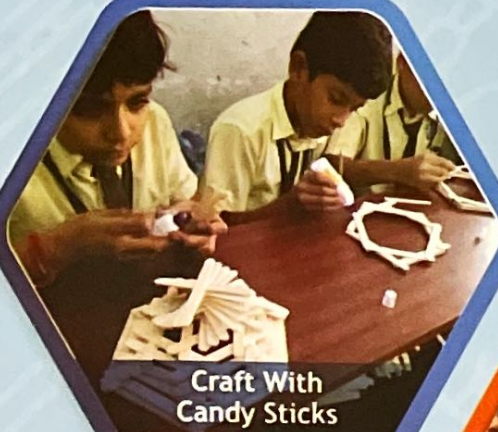

The Great Indian Bustard, Red Headed Vulture, Forest Owlet, Spoon Billed Sandpiper, Jordon's Courser, Bengal Florian, White Bellied Heron, and Sociable Lapwing.

According to the report of IUCN updated till December 2013, the major reasons for the decline in the population of these birds include loss, modification, fragmentation and degradation of habitat, environmental contaminants, poaching and land use changes, particularly conversion of large areas for crop cultivation. Also, changes in cropping pattern due to various reasons, including implementation of irrigation schemes, increased pesticide usage, livestock-grazing, high levels of disturbance and developmental activities like mining and hydel projects resulted in marginal fall in their population, said the report.

The best part of this activity was spending time with the students outside the class room. It was wonderful to observe the nature and to care for the birds.

"MOBILE LIBRARY"

Mobile library was started on 15th September 1928 in United States of America (The American School Library) established by Harper & Brothers. National Book mobile day, which is sponsored by the American library Association is celebrated in April each year on Wednesday of National library week.

In Gujarat, the credit of starting services of public library and mobile library (1911) as a part of Public Library Services in the province of Vadodara goes to Maharaja Sayajirao Gaekwad (3rd). In 1947, Libraries were established in the districts of Rajkot, Bhavnagar, Jamnagar, Junagadh and Surendranagar. Under the 'Library Improvement Scheme' of Central Govt., library buildings at these places were built at the cost of Rs. 15 lakh. There are two Central libraries in the state, District Govt. libraries at all the 26 district head quarters. The state Govt. has started 4574 grant-in-aid libraries with the help of Local Self Government Institutes and voluntary organizations. The State Government has established separate 'Gram Granthalay' in more than 3500 villages. Whereas, after 1985, the services of mobile library have been started at Sabarkantha, Surat, Surendranagar, Vadodara, Gandhinagar, Bhavnagar and Bhuj district headquarters in the State.

'TWIST & TURN' - 2019

A unique competition of solving Rubik's Cube was organized under the title 'Twist & Turn - 2019' on 5th January to promote calculative and mathematical skills among the school children of SVKM. The students of S.G. English Medium of Grade V -VIII enthusiastically participated in the Inter school Twist & Turn competition conducted by Vedic Maths Department. The contest comprised of two rounds and the winners were honoured with medals, trophies, certificates and prizes. The total strength figured to a huge number of 5000+ students in Round - 1. In Final Round, 120 students were selected to solve the tricky Rubik's Cube. The participants solved the Rubik's cube with the lightening speed of hardly few seconds. The secret to their speed was their practice in the regular sessions attended by the students in school hours. Succinctly, it was an engaging and Exceptional approach of Management to enhance the mathematical skills among the youngsters.

GYAN MANTHAN 2018-19

'The expert in anything was once a beginner.'

Keeping the above quote in mind we organized Gyan Manthan on 02-02-2019 [Saturday] along with PTA meeting of FA-3 exam.

The purpose of organizing this event of Gyan Manthan was to bring out the innate ability and confidence of the students. Tiny tots got an opportunity to showcase their skill.

Gyan Manthan included varied activities like Games, Puzzle, Map Reading, Magic, Playing Musical Instruments, Demonstration, Play way method of learning, Storytelling, Riddles, Explanation/Interacting with parents.

Overall 235 students had participated. It is a record that 235 students were sharing their knowledge on all different topics in a single event.

The objective of this event was to develop hidden skills of students and provide Knowledge about various important aspects of life.

SPORTS DAY

'Talent wins games, but team-work and Intelligence wins championships.'

Our school celebrated the Annual Sports Day on 29th December, 2018 with great zeal, excitement and enthusiasm. The Guest of honour along with our Principal Mam graced the occasion and witnessed the impressive March-past of the students accompanied by our school band. The program commenced by the oath taking ceremony followed by the varied Inter house sport events like Shot Put, High Jump, Long Jump, Race, Relay race, Javelin throw etc. The winners were rewarded with certificates and medals.

To sum up lastly, our Annual Sports day was very lively, enjoyable and filled with Sportsmanship.

ANNUAL DAY CELEBRATED AT S.G ENGLISH MEDIUM PRIMARY SCHOOL

"Annual Day is a time for rejoicing, rumination and resolution."

S.G.E.M.P.S. celebrated its magnificent and reverberating Annual Day with an elegant theme of "Indian Values -Sanskara". A colourful sojourn held with great zest, vibrancy and elation on 16th February, 2019.

Our Chief Guest Dr. ChandrabhanGadhvi bestowed his blessings and best wishes to the students for success and accomplishment in all their future endeavours. In his speech he reiterated that the school strives for excellence in all the field of education and anticipated for their co-operation in this mission.

The sagacious blend of dances, skit and skating dance etc. drew an unceasing applause in the palette of cultural extravaganza and made the "Sanskarotsav 2019" a grand success.

FIELD TRIP

Our school organized field trips for each class. Students had the opportunity to learn through educational experiences away from their regular school environment.

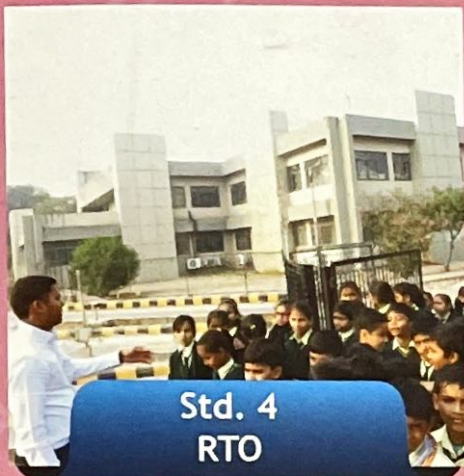

Std. 1
Railway Station

Std. 2
Super Market

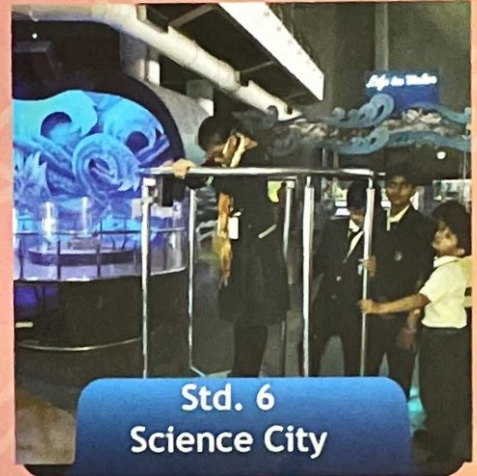

Std. 3
Vegetable Farm

Std. 4
