General Guidelines

- All written work should be done neatly in the holiday homework itself.
- Project/File/Model is to be submitted on the day of oral exam.
- Submission date of the Holiday homework will be informed later.
- Ensure that the work is done by you.
- Avoid doing all the work at once. Set a routine and complete a little every day.
- For any projects or artwork, use your creativity. Neatness and presentation will be considered during assessment.
- Besides homework, revise your previous lessons to stay in touch with your subjects.
- Projects, charts, or models should be neat, colourful, and well-labelled.
- Recyclable materials are encouraged for craft and model work.
- Holiday homework of summer vacation is allotted to the students on 15th October 2025.
- Have a faith and a complete mindset that this holiday homework will definitely contribute in your further progress.

Note for Parents

- We request parents to guide their children but allow them to do the work independently to develop responsibility and confidence.

Wishing you a happy and productive holiday!

Stay Safe, Stay Curious.

- Read the short stories.
